

History of the Periodic Table Lesson...

... Communicating effectively

- On rough paper, summarise the video as we go
- Re-watch the video and add detail
- As a group, write the most eloquent answer you can in 50 words
- Swap with another group-ask them to rate your answer for communication... 1 mark each for:

Science key terms	Relevant	Logical order	Concise: 50 words	Not confusing
-------------------	----------	---------------	-------------------	---------------
